

## Faculty & Training Facilities at NRSC:

The Training & Education Division (T & ED) is equipped with industry standard software tools, computer systems in dedicated labs. The Image processing and GIS labs are equipped with robust PCs and workstations having licenses of application softwares like ArcGIS, ERDAS IMAGINE, LPS. The NRSC library has vast collection of books and journals (Indian & international) on remote sensing, GIS and relevant areas. The scientists and engineers specialized in Remote Sensing Applications carry out number of operational projects of national interest using aerial/satellite data.

Class Room

GIS Lab

The Aerial Services & Digital Mapping facilities of NRSC has state of the art GPS, Digital Photogrammetry systems and Airborne Laser Terrain Mapping (ALTM). The resource scientists from NRSC contribute in training by teaching the current state of the art technology besides acquainting the trainees to the operational capabilities. The IMGEO facility located at Shadnagar is the state of art Ground Segment for multi mission operation and acquisition of satellite data. NRSC Outreach facility at Jeedimetla campus

caters to the utilization of resources by user community for harnessing spatial data towards new opportunities and applications. For more details see NRSC Outreach Facility brochure.

## Guest House/Canteen Facility:

The NRSC Guest House-II is located inside NRSC campus and accommodation will be provided on twin sharing basis in air conditioned rooms at nominal cost. The participants can avail NRSC Canteen which serves food for breakfast, lunch and dinner of South Indian menu.

## Security:

The NRSC campus is declared as a prohibited area. Camera, laptops, digital tablets, digital storage media are not allowed inside the campus/Guest House-II. Computer data storage media (CD-R or DVD±R only) containing data pertaining to 12 weeks course project can be brought inside after due authorization. Mobiles are allowed to be carried by the participants after due approval from the competent authority.
